

ALDRIDGE

LedWay

High Performance LED Bollard

LedWay Bollard Light

Aldridge adds the new LedWay Bollard Light to its range of lighting solutions. With superior performance, technology and compact size, the LedWay with its aesthetic good looks and longevity, will maximize your energy saving benefits.

The LedWay is suitable for wet locations and it's glare free to provide visual comfort, making it suitable for public spaces and private gardens.

The bollard body is constructed of high quality die-cast aluminium with a powder coating finish, making it resistant to oxidization and corrosion. The superior LED light source has long life use, low light depreciation, and high lighting efficiency. The high quality optical polycarbonate diffuser gives a symmetrical light with either 360° or 270° beam angle.

Benefits

- Long lifetime and reliability
- Minimal glare
- 360°/270° beam angle
- Easy installation, surface mounted
- Energy saving

Applications

- Public Spaces
- Low Light Areas
- Pathways
- Gardens
- Walkways
- Security Lighting
